‘Communicating with our Caring Community’

Wednesday, 11th March 2015

PRINCIPAL’S MESSAGE

Supportive School Community

A BIG thank you to everyone who put forward their ideas and participated in the school planning consultation process over the last six months, your input is very much appreciated.

New School Plan 2015-17

We have worked in collaboration with our school community to develop our new School Plan 2015-2017, including a revised school vision and the identification of 3 strategic priorities that the school will be focusing on over the next 3 years. Our strategic directions are:

1. Collaborative, innovative and differentiated teaching and learning.
2. Engaged, resilient and self-motivated learners.
3. Building and strengthening quality relationships.

More information on our strategic directions will be in the next newsletter.

School Vision

This is our revised school vision – We believe in excellence, opportunity and success for our students. We are a dynamic school community committed to delivering a broad range of quality learning experiences, in a nurturing environment where all students have the opportunity to achieve their personal best. Students will become successful learners, displaying confidence and creativity, along with the knowledge and
skills to become active and informed citizens of the future, living and working successfully in the 21st Century.

**P&C Meet & Greet BBQ**
Thank you to the P&C for organising and hosting our Meet & Greet BBQ. It was a good opportunity to meet some of the P&C Executive, our new families and other parents. The boys and girls and parents that came along thoroughly enjoyed themselves.

**NAPLAN Test Dates**
Test dates for all students in Years 3 and 5 are the 12th, 13th and 14th May. The 15th May is a catch up date for students who were away on the day of testing. Please avoid making appointments for students on these dates as the information gained from the testing program is very important for both parents and the school.

**Clean Up Australia Day**
We held our Clean Up Australia day last Friday. Thank you to Mrs Brewin for organising the day and to the boys and girls for the great job they did, together we have made a BIG difference.

**P&C AGM Meeting**
Our P&C's AGM will commence at 7 pm tonight. Everyone is welcome to attend and we would love to see some new faces at the meeting. The P&C does much to support our school and we are very grateful for what they do.

**Absent From School**
A reminder that all absences need to be explained by parents within seven days of the first day of absence, either by phone or note. An unexplained absence will result in a note being sent home asking you to explain the absence. With absences that are less than a week, please send in a note upon your child's return to school. For longer absences, please make an initial phone call to school to explain the reason for the absence, then follow up with a written note upon your child's return to school. If you are intending on taking extended leave, please ask for an extended leave application form from the office.

**Ecoburbia**
Four of our students attended a visual arts workshop at Lisarow High School where they worked with students from other Valley Schools to complete the Ecoburbia Festival banner. The festival which focuses on sustainability and eco-friendly living in our suburbs will take place at Narara Valley High School on Saturday, 11th April. Thank you to Courtney G, Kimberley H, Jess B and Charlotte B for representing our school in this community project.

**Student Safety When Travelling To and From School**
Last week it was reported, in Davistown, that a man driving a white van with curtains followed a Yr 6 student along the street. This happened late in the afternoon when she was on the way to dance lessons. This is a timely reminder for us all to talk about ‘stranger danger.’
If children are walking to and from school or the bus stop, they should walk in a group and not respond to any strangers who approach them. If they feel unsafe they should walk quickly or run to their destination.
It would be appreciated if all parents could discuss ‘stranger danger’ with your children, including strategies that they can use that may be specific to your neighbourhood.
Travelling by bus is a shared responsibility, shared equally between the students travelling on the bus, their parents, the school and the bus company. If you have any concerns with another students behaviour on the bus, please inform the bus driver and make sure you also notify the bus company.
If your child travels to or from school by bus, please speak to them about safe bus travel behaviour.
Travelling by bus to school is a privilege which can be revoked by the bus company. Thank you to all of the boys and girls who travel to school by bus, each and every day and are courteous and well mannered, you are wonderful ambassadors for our school.

**School Photos**
Please make sure all students are in full summer uniform next Wednesday which is our K-6 school photograph day.

**School Community Activities**
Next week we are hosting a parent workshop on anxiety at 1 pm on Monday. On Tuesday we are hosting Grandparents Day which will start at 11 am. On Wednesday we are hosting our Aboriginal PLP Afternoon Tea commencing at 3 pm in the staffroom.

**Rainforest Access Project (RAP) Working Bee**
A BIG thank you to everyone who came in last Saturday for the RAP working bee, thank you for taking the time to show that you care about our beautiful school environment, one that is the envy of many schools. Thank you to Liz Moore & Nicole Worrall for organizing and coordinating the day, also to Bethany W, Ethan W, Archer W, Layla C, Hayden C, Suzie M, Cooper M, Lance L, Rylie L, Jasmine G, Dominic G, Kim H, Cody H & Tasmin H and their parents. We are fortunate to have such caring and dedicated families who value and look after our beautiful school environment.
Please see Liz and Nicole’s entertaining rendition of their working bee activities at the end of my report.

**Medical Information Forms**
Please note that it is a legal requirement for us to obtain a current, activity specific Medical Information Form for all students going on excursions, including sport and other school based activities that take place off the school site. Our apologies for any inconvenience this may cause.

Until next time,
Mrs Linda Trigg

Rainforest Access Project (RAP)

RAP’s inaugural World Weeding Championships were held on Saturday, 7th March with a marathon Privet Pulling event taking up most of the program. Participants were organised into two teams to see how many privet seedlings they could pull out in three minutes: the highest number for the Senior Girls’ Team was a whopping 258; the highest number for the Junior Boys’ Team was a highly commendable 150 and the highest singular effort from a parent was an impressive 40. A staggering total of over 1,526 privet saplings were pulled out over the course of the Championships. Privet plants are a highly invasive tree weed and the removal of these saplings means that a variety of native plants have a better chance of surviving.

Watch this space for information on the next World Weeding Championships which could also include events such as: The Longest Length of Weed Vine; Digging Holes (in preparation for planting) and Watering Relay.

Elizabeth Moore & Nicole Worrall RAP Coordinators

ENVIRONMENTAL GROUP

The Environmental Group was very lucky to have the opportunity to work with our dedicated Rainforest Access Project (RAP) volunteers, on Tuesday 10th March. The students participated in group activities which involved, trimming vines, collecting seeds and sweeping the pathway by the frog pond. In the next few weeks the Environmental Group will again be given the opportunity to work with the RAP team, alongside Wyong Shire Council. A big thank you to Elizabeth Moore and Nicole Worrall for organising this and to the other volunteers that came along to help. We really are very lucky to have such a supportive community at Ourimbah Public School.

The Environmental Group seems to be a very popular outlet for students this year and we are always happy to welcome new students. If your child is in the Environmental Group, it would be much appreciated if they could please pack some gardening gloves in their bag.

Thanking you,
Mrs Brewin

Front Row: (L to R): Morgan R, Tegan M, Cassidy C, Sophie W, Caitlin M, Vanessa B.

BOYS CRICKET MATCH REPORT
On Friday, 27th February our senior boys’ cricket team ventured to Sohier Park to represent our school in the opening round of the NSWPSSA Knockout Competition.

We batted first and our most notable achievements came from Elliot, Angus and Cooper. We amassed a roaring total of 25.

When we took to the field spirits were high and our bowlers were on song. Unfortunately the early wickets didn’t fall as we would have liked and Niagara Park were able to reach our total within the allotted overs.

Each player represented our school with a wonderful attitude and high level of sportsmanship. The boys should be very proud of themselves! Many of whom were playing in their first ever game of ‘real’ cricket.

A special thanks goes out to the Collins family for their assistance with scoring and the jerseys, as well as all the parents who were able to assist with transport and show their support throughout the day.

Cricket was the winner on the day!
Mr Wilson

SYDNEY NORTH TENNIS TRIALS
Shannon T was successful at the recent BWPSSA tennis trials in gaining selection to represent the Zone at the next level of trials. Good luck, Shannon. BWPSSA FOOTBALL TRIALS
Good luck to Cassidy C, Oliver R and Kian G who will be trialling at the BWPSSA Football trials this Thursday.

BWPSSA RUGBY LEAGUE TRIALS
Good luck to Zac F, Callum S and Daniel K who will be trialling at the BWPSSA Rugby League trials this Friday.

LIVE LIFE WELL @ SCHOOL TERM 1
All students in Stages 2 and 3 will be participating over the next few weeks in activities to monitor their levels of health and fitness. The program is an initiative of Central Coast Area Health, through the ‘Live Life Well @ School’ program. The activities look closely at and encourage regular hydration, nutrition through fruit and vegetable intake as part of a child’s daily diet, regular physical activity and a reduction in screen time (computers, televisions, IPads, etc).

The students in K to 6 will also be given a special homework task each term to encourage regular physical fitness. A return slip is provided with each task which needs to be returned prior to the last week of term, as a prize draw will take place each term to encourage participation. The tasks will commence in term 2.

GRANDPARENTS DAY – 17th March
Invitation to K-2 Grandparents and Grandfriends
This year our K-2 children will celebrate the part grandparents play in their lives with a special day on Tuesday, 17th March. Grandparents and grandfriends are invited to come and visit Ourimbah Public School and share some special time with their grandchildren.

The day will start at 11.00 am with morning tea supplied by our wonderful P&C. There will also be morning tea and lunch items that can be purchased at the school canteen.

During this time the Library will be open for grandparents to view a display of books which are available to purchase and donate to the school in your grandchild’s name. The books will cost $5 or $10 and donated books will have a name plate placed inside them to acknowledge the donation.

Our P&C is again holding their famous Easter Raffle and tickets will be on sale on the day. The raffle will be drawn towards the end of term.

At 12 noon the K-2 children will entertain you in the hall with a special assembly, following which you may share a picnic lunch with your grandchildren under the trees on A oval.

Because of limited hall space, we ask that parents save their visit for the class assembly held later in the year. We are looking forward to seeing all Grandparents and Grandfriends next Tuesday, 17th March.

SCHOOL BANKING
Ourimbah is excited to offer the Commonwealth Bank School Banking program to all students.

The School Banking program provides children with an opportunity to make deposits into their personal Commonwealth Bank Youthsaver account at school each week. The program is about how often your child makes deposits, not how much they deposit.

To encourage regular savings behaviour the program offers an exciting Rewards Program. Every deposit earns your child a Dollarmites token, and once they’ve collected 10 tokens they can redeem them for a reward.
Our school also earns commission for every student who participates in the program.

School Banking day is **THURSDAY**. Please hand your bank books to your teacher.

**SCHOOL BANKING – ACCOUNT OPENING DAY**
The Commonwealth Bank will be holding an account opening day on **TUESDAY, 17TH MARCH from 8.30 am – 9.30 am JUST INSIDE THE FRONT GATE at Ourimbah PS**. If you are interested in opening a Commonwealth Bank Youthsaver account for your child please bring along your current driver’s licence or another form of photographic identification. No identification is required for your child attending school, as the school will confirm their identity. Alternatively, you can open an account at any branch, by calling 13 22 21, or online if you are an existing Commonwealth Bank customer.
